

## Style secures HSW

Moveable and partitioning wall specialist, Style, has further strengthened its partnership with the dormakaba Group by securing the exclusive UK distribution of its interior glass Horizontal Sliding Walls (HSW) range.

The partnership means that Style will now offer a complete end-to-end process for architects, contractors and end user clients for the specification, provision and installation of dormakaba's HSW partitioning systems.

"dormakaba's HSW range is a world leading portfolio of single glazed moveable partitioning wall systems, popular in airports, shops, shopping centres, stadiums, high rise winter gardens and banks," said Julian Sargent, Style's group managing director. "It means Style now has sole UK distributor

rights of the full suite of moveable wall solutions from dormakaba/Hüppe enabling us to fulfil our customers' requirements in totality as well as expand into new markets – something we are thrilled to have achieved."

The relationship between Style and dormakaba is not a new one. The two companies forged a pioneering relationship over 15 years ago when Style became Dorma Hüppe's exclusive UK partner for its moveable walls range.

Since then, the partnership has gone from strength to strength, which is why dormakaba has entrusted Style with its highly desirable HSW interior glass systems range.
